This CHAIN FREE second floor apartment at Highclere House is a purpose built retirement property for the over 60s, offering independent living with the benefit of on site support. Built in 2021, the development has been designed to provide a safe, low maintenance and sociable environment for later life.

The apartment is offered fully furnished throughout, including all furniture, furnishings and integrated kitchen appliances, making it a true turn key home. The spacious lounge benefits from a double glazed door and full height window opening onto a Juliet balcony with pleasant views over the landscaped gardens. The modern kitchen is fitted with integrated appliances such as a wall mounted oven, integrated microwave and fridge / freezer, while the master bedroom includes a walk in wardrobe with a built in safe and an ensuite shower room. A second, spacious double bedroom is served by a separate shower room.

Externally, the apartment comes with an allocated parking space and private storage. Residents also have access to a range of additional facilities within the development, including a bookable guest suite, scooter store, refuse room and recycling room.

Highclere House offers an excellent range of communal facilities designed to support independent living while fostering a sense of community. These include a large communal lounge, attractive landscaped gardens and a varied programme of activities and social events organised for residents, providing opportunities to socialise and stay active. The on site House Manager is available to assist with day to day matters, while the 24 hour emergency call system provides reassurance and support whenever needed.

The annual service charge includes buildings insurance, water rates and heating to communal areas, helping to keep running costs more predictable. With a long lease of 994 years remaining, this apartment represents a well specified and conveniently located retirement home in Hatfield, close to Hatfield Station with fast train links to London.
